Individual Champions

As part of the senior-most batch, this year's meet was a bittersweet yet unforgettable experience for us. We spent all our time memorizing everything that happened, from our deserved win in all categories to everyone's comical faces when we realized it, and the extremely fun and loud bus rides. This experience, although our last, was shared with our fellow 12th graders. We all won and lost medals as a team, and none of it would have been possible without Vinod Sir, Christy Sir, and Ajini Chechi. Their commitment and belief in us led to our success, and we hope to do the same at the Regional Meet to be held in the month of August.
